SUB: Undertaking for Availing Internships and Concurrent Participation in Upcoming Campus Placements

I Thanush (Name) with roll number 20221CM0088 have secured the internship in A Unit of Intyantra Software Solutions company.

I wish to continue to be in the Campus Placement along with internship and I understand that placement requires serious and continuous participation. In this context, I undertake that:

1. I will participate in all the placement drives without fail understanding that these placement drives may happen in any location and in any mode. Failing to participate in any placement drive without any genuine reason and substantial proof for which I am eligible, I may be removed from the placement eligibility list and the superset portal permanently and I will not be eligible for any further drives.
2. I will bear all the expenses related to travel/accommodation and any other costs related to my participation in the placements.
3. It is my responsibility to convince the internship company to avail leave to participate in the placement drive which may happen multiple times a week and with short notice.
4. I have informed my Parents/Guardian about the concurrent participation in placements as well internships and its consequences to them and they have accepted the same.

TO WHOM SO EVER IT MAY CONCERN

Dear Thanush G Gowda,

We are pleased to offer you the opportunity to join us as an intern. Your selection is based on your demonstrated potential and interest in the field of **Web Technology.** We are excited to provide you with an opportunity to gain hands-on experience and work on real-world projects.

Internship Details

- Internship Duration: 01/01/2026 to 30/04/2026
- Location: Rajajinagar QSpiders
- Reporting to: Pradeep

Project Details
During your internship, you will be assigned to the **Web Technology** and work on the following project.
You will be expected to collaborate closely with your team members and report directly to Pradeep who will guide you throughout the internship period.

Learning Opportunities:
This internship will provide you with the opportunity to:

- Gain industry experience and insights into Software industry.
- Develop practical skills related to **Web Technology**.
- Work in a collaborative environment and expand your professional network.

We look forward to welcoming you aboard and supporting your professional development.

Once again, congratulations on this opportunity, and we look forward to your contributions to our team

Yours Sincerely,

For Robowaves
